UNITED STATES MASTERS CRICKET ASSOCIATION

Mission Statement

United States Masters Cricket Association is a nonprofit sports entertainment organization dedicated to:

- ❖ Providing educational opportunities for our young primary school cricketers to help them attain their fullest potential so they can participate in and contribute to all aspects of life,
- ❖ Providing recognition to our cricket stars and administrators to show respect for the sacrifices they and their loved ones have made to the sport,
- ❖ Providing friendly Senior Cricket Entertainment annually in communities throughout the Tournament Country (ex. Jamaica) under the United States Masters Cricket Association,
- ❖ Providing an avenue for our sponsors to build their brand and grow their business, and
- ❖ Providing accountability and transparency in executing our mission.

Message from Chairman Auldie Brown

It is a great honor and pleasure to serve as the Chairman of the United States Masters' Cricket Association (USMCA). In January 2019, the Dr. Donovan Bennett Masters Tournament was born. Dr. Bennett's contribution to the development and successes in cricket for over five decades is immeasurable and deserves to be celebrated.

In coordination with our Jamaican counterparts, our primary mission is to promote sports tourism by organizing friendly senior cricket entertainment and administer a cricket scholarship program annually in Jamaica. Through our combined effort we are providing scholarships to many primary school cricketers making transition to high school; to assist them to attain their fullest potential so they can participate in and contribute to all aspects of life.

Our program is funded through Sponsorships, Donations and USMCA-JA fundraising activities. If you are passionate about making a difference helping the youths, then I implore you to support the USMCA-JA annual fund. Your support is critical to our success. A contribution of any amount will make a difference to the lives of our young cricketers. When someone becomes successful there is the temptation to believe that they did it all by themselves, when thousands of people touched their lives along the way.

We are awarding Special Recognition to some of our former cricket stars and administrators to show respect for their important role in the growth of the USMCA-JA association, the DR. Bennett Masters Tournament, and for their vital contribution to the development of cricket. We salute the honorees and wish that they all continue to serve the interest of cricket and our mission.

Congratulations to Desmond Lewis Masters for being champions of the 2023 Dr. Bennett Masters Tournament. We salute our sponsors and donors for being valued community partners and we look forward to your continued support. Thank you to the Executive Committee and team leaders for all that you do for the staging of the 2024 tournament.

I offer my best wishes to all for a wonderful tournament this year.

Best regards,

Auldie Brown

United States Masters' Cricket Association

About The USMCA

The USMCA got started in November 2018 immediately after the collapse of the prior tournament "Michael Holding Masters".

The US Group of Club Managers formed the USMCA Organization with a view to continue staging the annual masters' cricket tournament in Jamaica. Dr. Donavon Bennett, the first Vice-President of Jamaica Cricket Association (JCA) and Chairman of CWI's Medical Advisory Committee was approached to use his name for the tournament. He accepted and we were honored to have a world class cricket administrator on board. The USMCA gave its wholehearted endorsement in naming this senior cricket competition as "Dr. Donovan Bennett Masters Cricket Tournament". Dr. Bennett's contribution to the development and successes in cricket over some five decades is immeasurable and deserves to be celebrated.

The organization, through a select Steering Committee, develop an organizational structure, mission statement and constitution for the purpose of organizing and staging the annual Dr. Donavon Bennett Masters' Cricket Tournament. The USMCA was fully functional by January 2019, and our first tournament was held in October 2019.

In coordination with our Jamaican counterparts, our primary mission is to promote sports tourism to various communities throughout Jamaica annually, along with our young scholars' program, providing scholarships to many young primary school cricketers making transition to high school.

Our program is funded through Sponsorships, Donations and USMCA fundraising activities.

About Dr. Donavon Bennett

Dr. Donovan Bennett was elected as the new president of the Jamaica Cricket Association (JCA), defeating the incumbent Wilfred 'Billy' Heaven at the association's General Election at the Jamaica Conference Centre Earlier this year. Dr Bennett, who served as vice president of the JCA for 11 years, said that he was humbled and ready to do the necessary work to lift cricket in the country. He is a Medical Doctor with over forty-five (45) years' experience and is the Chairman of CWI's Medical Advisory Committee.

He has been involved in cricket youth development programs for more than thirty 30 years. Dr. Bennett has distinguished himself as a world class cricket administrator. He successfully took the STETHS cricket team to several championships. What makes Dr. Bennett's achievements even more remarkable is the fact that he has touched the lives of numerous young cricketers many of whom went on to represent Jamaica and the West Indies at both the youth and senior levels.

Dr. Bennett has been an integral part of the USMCA-JA Association since its inception and has played a major role in its development. Our tournament is named in his honor, 'Dr. Donavon Bennett Masters Tournament'. He is one of our benefactors and a significant supporter of our cricket scholarship program.

SCHOLARSHIP AWARDS PROGRAM

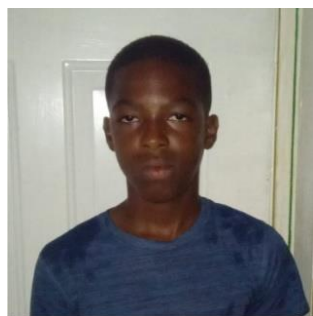

Cyril Choy (Awards Coordinator)

I served on the USMCA executive since its inception and there is nothing dearer to my heart than the scholarship program. Giving back and helping the growth and development of our youths has become my passion.

Let me congratulate all the scholarship recipients on their success and the beginning of their new journey. We are tracking the growth of our young scholars as they progress through high school and beyond. A great success story is Kate Wilmoth, our first female scholarship recipient from 2019 who went on to represent Jamaica and West Indies at the U-19 and Senior levels. Thanks to all the Dr. Bennett Masters Tournament Teams for their unwavering support of the Scholarship Program. The USMCA is very proud.

Tracking Former Scholarship Recipients

Report from Fitzroy Quest Western Strikers

Kate Wilmot is our first female scholarship recipient and was recommended by Western strikers' masters cricket club. She is a member of Western strikers' masters cricket club. Since receiving our scholarship in 2019, she went on to represent Jamaica and the West Indies at the U19 and senior levels. she is currently a member of the West Indies Senior Women's team and the Guyana Amazon Warriors Women 2024 CPL team. On behalf of the Western Strikers Masters and the USMCA-JA/Dr. Bennett Masters Tournament we wish her continued success.

Javaughn Wedderburn recipient of scholarship fund 2023 from Western Strikers masters cricket club, he's presently attending St. Elizabeth technical high school and is currently a member of the under 14 team, Javaughn is doing good academically although there is room for improvement. He will be going into second form when the new term commences in September 2024.

Daviere Buchanan is a recipient of the scholarship fund from the Western strikers' masters cricket club in 2023. He is currently attending the St. Elizabeth technical high school where he's a member of the winning Issa rural under 14 team, he also represents Westmoreland in the Kingston Wharves cricket competition. Daviere who is affectionately called Fat Head by his teammates is talented. young cricketer who understands how to balance his academics with the sport he loves to play and is of a strong belief that he will be representing Jamaica at all levels.
